www.illinoisproducts.com

3. Product Description

The IPCO Stainless Steel Smooth and Spring-loaded Dowels are manufactured in a variety of diameters and lengths, which are used to secure stone.

4. Technical Data

Material: Smooth Dowel 1/4", 3/8", and 1/2" diameters, Spring-loaded dowels 3/8" and 1/2" diameters in Type 304 Stainless Steel conforming to ASTM A276. Other diameters by special order.

5. Installation

As per architectural or engineered specification.

6. Availability and Cost

All Illinois Products Corporation products and prices are available through a nationwide network of masonry and building supply distributors.

7. Warranty

The recommendations and properties attributed to the products are based upon what is believed to be reliable information. Illinois Products Corporation warrants materials to be of good quality and will replace unused material proven to be defective. No expressed or implied warranty of installed material is made because satisfactory results depend not only on product quality but also upon factors that are beyond IPCO's control

8. Maintenance

No maintenance is required after proper installation.

9. Technical Services

Contact the manufacturer for any required technical services. Details and suggested application drawings are available on each individual product data sheet. IPCO Material Safety Data Sheets should be read and understood by all personnel before using the products.

10. Filing Systems

Product information is available from the manufacturer in the following formats:

- Complete IPCO product line catalog in printed and CD formats
- Online access to all data sheets at: www.illinoisproducts.com
